

Narciso's Dream

by Team 4

BRIEF DESCRIPTION

This game is a arena game in which the player has to play as Narciso, the protagonist, and defeat hordes of oniri.

ENEMIES

There are various types of oniri that we can find like:

- Uranian
- Dreamon
- Blind fury
- Punpun

CHARACTER

Narciso has a set of 3 moves:

- The pillow
- The bubble gun
- The dash

"With these resources, will he eventually beat his subconscious or will he perish inside the dream, drowning in his own abyss?"

TARGET AUDIENCE

The target audiences is players that like:

- ★ Roguelike
- ★ Arcade

Like leslie's !

LESLIE'S PERSONA

To define better our reference persona, Leslie, we made use of an AI website to generate a photo of Leslie, based on her interests and characteristics, to have a model and avatar to recognize our ideal purchaser of the game.

LESLIE'S PERSONA

Age: 20-30

Gender: neutral

Hobbies: videogames, comics, anime

Likes: motivated gameplay changes,
game time based on player's skills,

Dislikes: too long gaming session,
boring single weapon, gameplay
choices unrelated to the story

SELLING POINTS

The main selling points of our game are:

- ★ Asset change in time
- ★ Resources management

unique like no other game!
